

# Nash's Numbers by Alan Nash (A095)

Whilst full details of Taxi Cards are available in reception, this month I have given you a one page quick reference guide to the amount payable by passenger, subsidy, the run-in and that elusive number required when the card does not swipe, (oh does it not work young man). Boroughs with \* against have issued their card holders with the DaC number to book a taxi. The number in brackets shown after the Card prefix is the maximum number of consecutive swipes (stage-coaching) permissible on a journey. Note Westminster no longer pay a wheelchair subsidy. Those that do, the payment will be automatically added. Code, XXXXXX is the 6 digits on the card.
